Gouge Away

The Beauty Shop

Gouge away
You can gouge away
Stay all day
If you want toMissy aggravation
Some sacred questions
You stroke my locks
Some marijuana
If you got someGouge away
You can gouge away
Stay all day
If you want toSleeping on your bed
You break my arms
You spoon my eyes
Been rubbing a bad charm
With holy fingersGouge away
You can gouge away
Stay all day
If you want toChained to the pillars
A three day party
I break the walls
And kill us all
With holy fingersGouge away
You can gouge away
Stay all day
If you want to
