Sonny

Funeral For A Friend

You are bleak
You are beautiful
No matter what they say
In this light
Tired childish games
Swept us all away
Singing it out
Singing it out for all of us
Singing it out
Singing it out for all of us
This is strange
This is wonderful
Its grip chokes us all
It takes time
More than we have
So what have we done?
Singing it out
Singing it out for all of us
Singing it out
Singing it out for all of us
It takes time
Please, tell me what we've done
It takes time
Please, tell me what have we done
Singing it out
Singing it out for all of us
Singing it out
Singing it out for all of us
