

# Someday Someday

## Thirsty Merc

So we've already established the fact that  
things are gonna be different in the future baby.  
And you've reiterated the fact that you don't  
want to get into something that's just gonna have to end later.  
Now I know our lives are changing and I've seen  
it coming for a while too, don't get me wrong.  
And I've been going outta town baby it's gonna happen more,  
we gotta be strong but now

While I'm gone  
Just be a fly on the wall  
You know  
I'm thinking about you

Just wait and see  
You gotta hear what I say  
I'm in love with you  
I'm not so far away

Someday, someday  
I will be here babe  
Someday, someday  
I will be the one babe  
Someday, someday  
I will be here babe  
Someday, someday  
I will be the one babe

I know you gotta go to university and I'm just trying to make some cash to follow my dreams.  
But please don't say we're too busy to give each other the time and support we need  
I know we gotta work our jobs and make some money to get by in this expensive world.  
Don't let that overtake the fact that before all that, you were still my girl.

While I'm gone  
Just be a fly on the wall  
You know  
I'm talking about you

Just wait and see  
You gotta hear what I say

I'm in love with you  
I'm not so far away

Someday, someday  
I will be here babe  
Someday, someday  
I will be the one babe  
Someday, someday  
I will be here babe  
Someday, someday  
I will be the one babe

Someday, someday  
I'll know that you love me  
Someday, someday  
Sorry that I'm leaving  
Someday, someday  
I will be here babe  
Someday, someday  
I will be the one babe

I'm in love with you  
I'm not so far away

Someday, someday  
I will be here babe  
Someday, someday  
I will be the one babe  
Someday, someday  
I will be here babe  
Someday, someday  
I will be the one babe

Someday, someday  
I'll know that you love me  
Someday, someday  
I just need you here with me  
Don't have to try  
Love will take us there babe  
Someday, someday  
I will be the one babe

Someday, someday  
Look towards the sky babe  
Someday, Someday  
There's no need to cry babe

I know that you're always what I want babe

I will be the one babe

Someday,

I will be the one babe

Someday,

I just need you here with me
