

# Castles In the Air

## Bag Raiders

And if she asks you why, you can tell her that I told you  
That I?m tired of castles in the air  
I?ve got a dream I want the world to share  
And castle walls just lead me to despair  
Hills of forest green where the mountains touch the sky  
A dream come true, I?ll live there till I die  
I?m asking you to say my last goodbye  
Though loving you ain?t worth another try  
Save me from all the trouble and the pain  
I know I?m weak, but I can?t face that girl again  
Tell her the reasons why I can?t remain  
Perhaps she?ll understand if you tell it to her plain  
But how can words express the feel of sunlight in the morning?  
In the hills, away from city strife  
I need a country woman for my wife  
I?m city born, but I love the country life  
For I cannot be part of this cocktail generation  
Partners waltz, devoid of all romance  
The music plays and everyone must dance  
I?m bowing out and I need a second chance  
Save me from all the trouble and the pain  
I know I?m weak, but I can?t face that girl again  
Tell her the reasons why I can?t remain  
Perhaps she?ll understand if you tell it to her plain  
And if she asks you why, you can tell her that I told you  
That I?m tired of castles in the air  
I?ve got a dream I want the world to share  
And castle walls just lead me to despair  
Ain?t worth another try
