Empty Rooms

Tim DeLaughter

Loneliness is your only friend
Broken heart that just won't mend
Is the price you payIt's hard to take when love grows old
Days are long and the nights turn cold
When it fades awayYou hope that she will change her mind
But the days drift on and on
You'll never know the reason why she's goneEmpty rooms, where we learn to live without love
Empty rooms, where we learn to live without loveSee her face in every crowd
Hear her voice but you're still proud
So you turn awayTell yourself that you'll be strong
But your heart tells you
This time you're wrongEmpty rooms, where we learn to live without love
Empty rooms, where we learn to live without love
Empty rooms, where we learn to live without loveYou hope that she will change her mind
But the days drift on and on
You'll never know the reason why she's goneEmpty rooms, where we learn to live without love
Empty rooms, where we learn to live without love
Empty rooms, where we learn to live without love
Empty rooms, where we learn to live without love
