

Everywhere

Chaka Khan

Can you hear me calling
Out your name
You know I'm falling
And I don't know what to say I'll speak a little louder
I'll even shout
You know that I'm proud
And I can't get the words out Oh i, I want to be with you everywhere
Oh i, I want to be with you everywhere
Wanna be with you everywhere Something's happening
Happening to me
My friends all say
I'm acting peculiarly C'mon baby
We better make a start
You better do it soon
Before you break my heart Oh i, I want to be with you everywhere
Oh i, I want to be with you everywhere
Wanna be with you everywhere Can you hear me calling
Out your name
You know I'm falling
And I don't know what to say C'mon baby
We better make a start
You better do it soon
Before you break my heart Oh i, I want to be with you everywhere
Oh i, I want to be with you everywhere
Wanna be with you everywhere Oh i, I want to be with you everywhere
Oh i, I want to be with you everywhere
Wanna be with you everywhere
