Everywhere

Chaka Khan

Can you hear me calling
Out your name

You know I'm falling

And I don't know what to sayI'll speak a little louder

I'll even shout

You know that I'm proud

And I can't get the words outOh i, I want to be with you everywhere

Oh i, I want to be with you everywhere

Wanna be with you everywhereSomething's happening

Happening to me

My friends all say

I'm acting peculiarlyC'mon baby

We better make a start

You better do it soon

Before you break my heartOh i, I want to be with you everywhere

Oh i, I want to be with you everywhere

Wanna be with you everywhereCan you hear me calling

Out your name

You know I'm falling

And I don't know what to sayC'mon baby

We better make a start

You better do it soon

Before you break my heartOh i, I want to be with you everywhere

Oh i, I want to be with you everywhere

Wanna be with you everywhereOh i, I want to be with you everywhere

Oh i, I want to be with you everywhere

Wanna be with you everywhere
