Hold On (feat. Amber Coffman) (Subfocus Remix)

Rusko

Hold on
I'm coming (Hold on)
Hold on
I'm comingOh yeah I see you baby
Gotta feel for the jeans you're wearing
Gonna leave the rhythm, just a minute
Ain't no one here
We don't have to talk about it
I know you'll understand me
You know how to treat a lady
You're the only one hereI know you waited all your life
And finally you're here with me tonight
One hand tied behind my back and still your breathless
Come dance with me
Come dance with me babyCome dance with me babyHold on
I'm coming
Hold on
I'm coming
Hold on, hold onI know you waited all your life
And finally you're here with me tonight
One hand I've behind my back and steal your breath away
Come dance with me
Come dance with me babyI know you waited all your life
And finally you're here with me tonight
One hand I've behind my back and steal your breath away
Come dance with me
Come dance with me baby
