

Stay Illogical

Under The Influence of Giants

Stay illogical
Bet you can't think
That we fell in love, no
So stay illogical
Bet you can't think
That we fell in love, noAt least I tried to help her
At least I tried to tell her
About you
About you(2x)Stay illogical
What a surprise
You lost your soul
I tried and fell short
And now that your blind
You can't ignoreAt least I tried to help her
At least I tried to tell her
About you
About you(2x)Right before your eyes
How do you do
How do you do
Right before your eyes
How do you do
How do you doAt least I tried to help her
At least I tried to tell her
About you
About you
