Zombie Zoo

Tom Petty

All down the street they're standin' in line
With white lipstick and one thing on their minds
Hey little freak with the lunch pail purse
Underneath the paint you're just a little girlDancin' at the Zombie Zoo,
Dancin' at the Zombie Zoo
Painted in a corner and all you wanna do
Is dance down at the Zombie ZooCute little dropout, how come you pack a rod
Is your mother in a clinic? Has your father got no job?
Sometimes you're so impulsive, you shaved off all your hair
You look like Boris Karloff and you don't even careYou're dancin' at the Zombie Zoo,
Dancin' at the Zombie Zoo
Painted in a corner and all you wanna do
Is dance down at the Zombie ZooShe disappears at sunrise,
I wonder where she goes until the night
Comes fallin' down again
You show up with your friends, half-aliveDancin' at the Zombie Zoo,
Dancin' at the Zombie ZooWell, you can make a big impression or go through life unseen
You might wind up restricted and over seventeen
It's so hard to be careful, so easy to be led
Somewhere beyond the pavement
You'll find the living dead.Dancin' at the Zombie Zoo,
Dancin' at the Zombie Zoo
Painted in a corner and all she wants to do
Is dance down at the Zombie ZooShe disappears at sunrise,
I don't know where she goes until the night
Comes fallin' down again
She shows up with her friends, half-aliveDancin' at the Zombie Zoo,
Dancin' at the Zombie Zoo
Painted in a corner and all you wanna do
Is dance down at the Zombie Zoo
Yeah dance down at the Zombie Zoo
Yeah get down at the Zombie Zoo
