

Murmurs (Brandt Brauer Frick Remix)

Hundred Waters

I wish you I wish you would see what I see I wish you I wish you would see what I see Lead a lead a light of thee
You used to use to see
How you only only need
To blow them out Yesterday was your birthday
Happy birthday 200 candles, a liar, a scandal, a fire
through the roof, when I called you Were you there? Were you there?
Were you ever alive? I wish I could see what you see
I wish I could see what you see Lead a lead a light of thee
You used to use to see
How you only only need
To blow them out Lead a lead a light of thee
You used to use to see
How you only only need
To blow them out Lead a lead a light of thee
You used to use to see
How you only only need
To blow them out Silly silly silly me
I used to use to see
Now our holy holy light
Is blowing out
