The Screen Behind The Mirror

Enigma

Here's the mirror
Behind there is a screen
Turn around
On both ways you can get in
The experience of survival
Look around just people
Can you hear their voice
Find the one who'll guide you
To the limits of your choice
The experience of survival

Try to think about it
That's the chance to live
Your life and discover
Try to think about it
The experience of survival
The experience
The experience of survival
The experience
