

# You Must Believe Me

Don Covay

You Must Believe Me  
The Impressions  
(Curtis Mayfield)

Chorus:

[2,3: And] you must belie-ie-ieve me  
No matter what the people might say  
You must belie-ie-ieve me  
Darlin', it just didn't happen that way  
No, no, it just didn't happen that way

Verse 1:

You've come home with somethin' on your mind  
Darlin', tell me, why are you cryin'  
You say be serious, no time for fun  
While tryin' to tell me somethin' that I've done  
The things you heard couldn't be denied  
But before your opinion, listen to my side

[repeat chorus]

[repeat intro]

(whoa, it's all right)  
(whoa, it's all right)

Verse 2:

Girl, you're wrong to believe what was said  
For you see nothing could ever be that bad  
Though the talk is now all over town  
Darling, you know I'd never put you down  
True, her and me were at the party as guests  
There's nothing else to say about whom I love best

[repeat chorus]

[repeat intro to fade]

(whoa, it's all right)

(whoa, it's all right)
