Real Love/It's Only Life

Mike Doughty

We are lovers through and through,
Though we made it through the storm,
I really want you to realize,
I really want to put you on,
I've been searching for someone to satisfy my every need,
Won't you be my inspiration, be the real love that I need.Yeah, real love.
I'm searching for a real love.
Someone to set my heart free.
Real love,
I'm searching for a real love.When I met you I just knew that you would take my heart and run,
Until you told me how you felt for me, you said I'm not the one.
So I slowly came to see all the things that you are made of.
And I found my dreams and inspirations lead me towards a real love.Yeah, real love.
I'm searching for a real love.
Someone to set my heart free.
Real love,
I'm searching for a real love.And I thought you were the answer to the question in my mind,
And I thought you were the answer to the question in my mind,
Yeah...yeah...What does it mean?
What can you do about it?
What can you say?
You don't even know about it.
It's a nightmare, it's all negative, nothing matters, and what if it did,
You could lock your doors,
Close all your windows and hide away...hide away...Real love.
I'm searching for a real love,
Someone to set my heart free,
Real love.
I'm searching for a real love,
Someone to set my heart free,
Someone to set my heart free,
Someone to set my heart free,
Someone to set my heart free
Someone to set my heart free.
