Hey Neighbor (feat. Rockit)

Rockit Gaming

Anxious, uneasy
Exhausted with that feeling
Caught up in the fear I must break in.
My answers? I have none
Intrigued with no connections.
Caught up in the fear I will break in.

(refrain) Hello neighbor, hey neighbor.
Breakin' into your house
Hello Neighbor, hey neighbor
Come and look what I found
Hello neighbor, hey neighbor
What's goin' on in this town?
Hello neighbor, hey neighbor
Breakin' into your house
