

# Hey Neighbor (feat. Rokit)

## Rokit Gaming

Anxious, uneasy  
Exhausted with that feeling  
Caught up in the fear I must break in.  
My answers? I have none  
Intrigued with no connections.  
Caught up in the fear I will break in.

(refrain) Hello neighbor, hey neighbor.  
Breakin' into your house  
Hello Neighbor, hey neighbor  
Come and look what I found  
Hello neighbor, hey neighbor  
What's goin' on in this town?  
Hello neighbor, hey neighbor  
Breakin' into your house
