

# Ooh Baby

## New Edition

Ooh baby  
Ooh baby  
Ooh ooh ooh Since the day I saw you, baby, I knew you were for me  
Always all by myself, I sought your company  
All the fellas told me that you played me for a fool  
Said, I wouldn't hang out, I'd go home right after school What did I do to you  
To make you feel this way?  
You said, you'd be my baby  
Never go away, go away How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby? How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby? Spent all my time, baby, just working on my form  
Trying to improve myself so I could give you more  
You told me I was turning out the way that I should be  
How could I know that you would turn your back on me? What did I do to you  
To make you feel this way?  
You said, you'd be my baby  
Never go away, go away How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby? How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby? How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby? Ooh, baby, ooh, ooh, ooh, ooh  
How could you leave?  
Ooh, baby, ooh, ooh, ooh, ooh  
How could you leave? How could you leave?  
How could you leave?  
How could you leave?  
How could you leave? Ooh, baby, ooh, ooh, ooh, ooh  
Ooh, baby, ooh, ooh, ooh, ooh  
How could you leave?  
How could you leave? Ooh, baby, ooh, ooh, ooh, ooh

Ooh, baby, ooh, ooh, ooh, ooh  
How could you leave?  
How could you leave? Ooh, baby, ooh, ooh, ooh, ooh  
Ooh, baby, ooh, ooh, ooh, ooh  
How could you leave?  
How could you leave? How could you leave when I need you, baby?  
How could you leave when I need you, baby?  
How could you leave when I need you, baby?
