Pigwalk

Stuck Mojo

(J.Schaffer)
No shame in my game I bust out
of your fame. The weak and the
Spineless I love to maim.
(Pre Chorus)
He's the bully of the block so start
running the path of the wide &
crooked when he's coming.
Poisoned with hate and fear so I
don't want to hear. Neglected as a
child so I act crazy and wild.
(Chours)
This is my world!!
Pigwalk -- Pigwalk
You're in my world!!
Pigwalk -- Pigwalk
Mad at the world like a time bomb
ticking. Find an innocent punk to
start kicking.
(PreChorus)
(Chrous)
