Elastica

1, 2, 3, 4Peaches and cream, where have you been?
Did you know I've been waiting all night
Whose bed were you in, whose head were you turning?
Don't you know I've been out of my mind
'Cause I know what you fear you will find, oh why?Sweetness and light
Don't wanna fight you but I don't wanna listen to lies
Your face is a mess, you know you should drink less
And I don't wanna hear how time flies
'Cause I know from the look in your eyesYou were talking to some girl who'd seen you on her TV set
She said she felt like you knew you although you had only just met
Oh yeahDon't stop talking shop I'll see you down the time swap
I've been tested and tried
Lost on the tide, so cold inside
Do you know I've been out of my mind
'Cause I know what you fear you will findYou were talking to some girl who said that she'd seen you before
Oh my head's such a mess till I hear your key in the door
Oh yeah, oh yeah
