Smile

Elastica

1, 2, 3, 4Peaches and cream, where have you been?

Did you know I've been waiting all night

Whose bed were you in, whose head were you turning?

Don't you know I've been out of my mind

'Cause I know what you fear you will find, oh why?Sweetness and light

Don't wanna fight you but I don't wanna listen to lies

Your face is a mess, you know you should drink less

And I don't wanna hear how time flies

'Cause I know from the look in your eyes You were talking to some girl who'd seen you on her TV set

She said she felt like you knew you although you had only just met

Oh yeahDon't stop talking shop I'll see you down the time swap

I've been tested and tried
Lost on the tide, so cold inside

Do you know I've been out of my mind

'Cause I know what you fear you will findYou were talking to some girl who said that she'd seen you before

Oh my head's such a mess till I hear your key in the door

Oh yeah, oh yeah
