

I Know

Jah Roots

baby now said seriously, it's been a long long time
now baby seriously- oh wont you give me another try
cause baby i know, just what you've been sayin
and baby i know, just what you've been thinkin

Baby i never wanna see you with another guy-no, no
oh lord you know it brings tears to me eyes
and it's you that i want in my life
need you here right by my side

cause baby i know just what you've been thinkin
and baby i know, just what you've been sayin
girl because- said seriously
it's been a long long time
oh because- said seriously
oh won't you give me another try

and after three weeks as of getting to know you
i started to feel myself now anything when i'm around you
now im finding myself now feeling alone when i'm without you
and wanting to get to know all there is to know about you
all of the little things i said you're doing for me
sexy lady dont you know you're making my world complete
well i would have to say deep down and honestly just that

because said seriously
it's been a long long time
oh baby seriously
oh wont you give me another try
