Up in the morning, into your blues
Out of your closet and your sad old tunes
In the shady grove who doesnâ€™t wanna shower
Wallowinâ€™ hollowinâ€™ sweet and sour

Bring out your bones put â€˜em on the counter
Bring out your bones before you flounder
In the deep dark ocean of your heart

Lost in the hunt, scared in the woods
What dâ€™you keep? Whatever you could
Breakinâ€™ the seal on a barrel full of tears
Water for salt, water for years.

Turn up the burner, get it all going
Boil up, boil down, night til morning
Back to the land, back your heart
Your rickety bones are coming apart

A little bit a lonesome gone from home
Cold and weary northern the road
Long for reasons dead and gone
Wanna feel the love of Daddy and Mommy

Out of your clothes, out of your blues
Big boned soup with a sweet old tune
From the shady grove has gone to flowerinâ€™
Waller and holler in the midnight hour
