Manta Ray

J. Ralph

In the trees
Between the leaves
All the growing
That we didAll the loving
And separating
All the turning
To face each otherI divide
In the sky
In the the seams
Between the beamsAll the loving
And separating
All the turning
To face each otherWithout biodiversity
I'm nothing
It's like I never
ExistedWithout my home
With no reflection
I cease to existAnd my children
Are dying now
Inside meAll I love
All I know
All I've knownI am dying now
Inside me
My children
