

About Today

The National

Today you were far away and I didn't ask you why?
What could I say I was far away
You just walked away and I just watched you
What could I say? How close am I to losing you?
Tonight you just close your eyes
And I just watch you slip away
How close am I to losing you? Hey, are you awake? Yeah, I'm right here
Well, can I ask you about today?
How close am I to losing you?
How close am I to losing?
