This Killer

Blackfield

Don't leave the door ajar
Don't walk away
Don't leave me in the darkYou think you know me well
It makes me laugh
Cause I don't know myselfThis killer on the run
He steals from me the sun
He'll catch me off my guard
He likes me when I'm down and when I'm sadFalling man
Falling manIt's always me alone
That hears the noise
'Cause it's my inner voiceSo stay inside your home
And hide away
Before I lose controlThis killer on the run
He steals from me the sun
He'll catch me off my guard
He likes me when I'm down and when I'm sadFalling man
Falling manThis killer on the run
He steals from me the sun
And I can say I know him well
And so can he because it's meHe is me
He is me
