

Glory Avenue

Jabez

Jabez- glory avenue (Jesus is my neighbor)

(I am Jabez
and I wanna dedicate
this song to all
of the worshipers out there...
Oh! let them know that Jesus
Is always besides them).

I'm living close to Jesus
On Glory Avenue,
We walk and talk together,
As other neighbours do.
We share such sweet communion
Our fellowship is true,
I'm glad I live beside him
On Glory Avenue.

Yes Jesus is my neighbour
The dearest friend of all,
He stays so close beside me
He hears me when I call.

He shares my joy and sorrow,
He knows when I am blue
I'm glad I live beside Him,
On Glory Avenue.

(I'm glad allelu!, well I'm living
Close to Jesus from glory avenue
Do you wanna live there? come
On some body prays him glory to God)

One day as I was living
Down in the streets of sin,
My burden was so heavy
I had no peace within,
Ohh! but Jesus came and sought me
His smile came smiling through,
I packed and moved that morning

On Glory Avenue.

Yes Jesus is my neighbour
The dearest friend of all,
He stays so close beside me
He hears me when I call.

He shares my joy and sorrow,
He knows when I am blue
I'm glad, I'm glad I live beside
My Jesus ohh!,
On Glory Avenue.

I'm glad I live beside Him,
On Glory Avenue.

I'm glad, yes I'm glad I'm living
beside my Jesus
Glory to god,
On Glory Avenue.

I'm glad I'm glad i live beside Him,
On Glory Avenue.
