

# Be My Lover

## Joan Jett And The Blackhearts

You stepped into the room, I don't know ya  
With a magnifying glance, I just sort of looked ya over  
We had a drink or two, well, maybe three  
And then suddenly you started telling me your life story  
You said Baby, if you wanna be my lover  
You better take me home  
'Cause it's a long, long way to paradise  
And I'm still on my own Told ya that I came from New York city  
And I played guitar in a real live rock and roll band  
You asked me why the singer's name was Alice?  
I said, "Listen, baby, you really wouldn't understand"  
And I said Baby, if you wanna be my lover  
You better take me home  
'Cause it's a long, long way to paradise  
And I'm still on my own, on my own Baby, if you wanna be my lover  
You better take me home  
'Cause it's a long, long way to paradise  
And I'm still on my own
