

Too Close For Comfort

[Dianne Reeves](#)

Be firm, be fair, be sure, beware
On your guard, take care, while there's such temptation

Too close, too close for comfort, please, not again
Too close, too close to know just when to say "When"

Be wise, be smart, behave, my heart
Don't upset your cart when she's so close
Be soft, be sweet, but be discreet
Don't go off your feet, she's so close for comfort

Too close, too close for comfort, please, not again
Too close, too close to know just when to say "When"

One thing leads to another
Too late to run for cover
She's much too close for comfort now

Too close, too close for comfort, please, not again
Too close, too close to know just when to say "When"

Be firm and be fair, be sure, beware
On your guard, take care, while there's such temptation

One thing leads to another
Too late to run for cover
She's much too close for comfort now

Too close, much too close
She's much too close for comfort now
