

# Sign your name

## Terence Trent D'Arby

Fortunately you have got someone who relies on you  
We started out as friends  
but the thought of you just caves me in.

The symptoms are so deep  
it is much too late to turn away.

We started out as friends -Sign your name across my heart  
I want you to be my babySign your name across my heart  
I want you to be my lady.Time

I'm sure

will bring disappointments in so many thingsIt seems to be the way when your gambling cards on love you play.  
I'd rather be in hell with you  
baby  
than in cool heaven.

It seems to be the way -Sign your name across my heart  
I want you to be my baby  
.Birds never look into the sun before the day is doneOh  
the light shines brighter on a peaceful day.

Stranger blue  
leave us alone

we don't want to deal with youWe'll shed our stains showering in the room that makes the rain.AII alone with  
you makes the butterflies in me ariseSlowly we make love and the earth rotates to our dictates.

Slowly we make love -  
Sign your name across my heart  
I want you to be my baby

...

Sign your name across my heart  
I want you to be my baby

...

Sign your name across my heart  
I want you to be my baby

...
