Deeper

Marc'O'Tool

Yeah, yeah, deeper, deeper

It's been 7 days, 50 calls, I can't lose this, I can't sleep
Cause every time you talk I stall so confusing, non excusing no
You keep me spinning baby and I'm falling
And I can't hold this in anymore

I know that we're moving too fast
But I can't let go and it may not last but
I'm going deeper, deeper head over heels
I go deeper, deeper
And I hope it's for real this time

And I realize now you're in my life
Nothing matters, nothing comes in-between
I surrender now and I will not fight
What we have is only you and I
When you're gone I'm so empty
I'm waiting and I'm longing to see you again

I know that we're moving too fast
But I can't let go and it may not last but
I'm going deeper, deeper head over heels
I go deeper, deeper
And I hope it's for real this time

This is the end of holding back
And I won't quit and I won't slip
You've sent me railing off my track
And I won't slow down no

Deep deep
Going deeper
Deeper, deeper oh
Going deeper
Deeper, deeper

I know that we're moving too fast
But I can't let go and it may not last but
I'm going deeper, deeper head over heels

I go deeper, deeper
And I hope it's for real this time
And I hope it's for real this time
