Happy Now

Shed Seven

Bowing down my head to your victory
Learning how to lose is feeling sweet
Been talking to the birds and they're on my side
I know I'm happy now

Just like the dawn of a new day
Just like the tip of a new wave
You know I'm happy now
I'm feeling happy now
Just like the sun over the hill
You say I won't I say I will
I'm feeling happy now, you know I'm happy now

Another lesson learnt in paradise
I'll let you trick me once, you won't fool me twice
You turn me on my head but still I survive
I'm feeling happy now, I know I am happy now

Just like the dawn of a new day
Just like the tip of a new wave
You know I'm happy now
I'm feeling happy now
Just like the sun over the hill
You say I won't I say I will
I'm feeling happy now, you know I'm happy now

Words words words don't comfort me
Words words words are here to stay

Just like the dawn of a new day
Just like the tip of a new wave
You know I'm happy now
I'm feeling happy now
Just like the sun over the hill
You say I won't I say I will
I'm feeling happy now, you know I'm happy now

You know I'm happy now
You know I'm happy now
I'm feeling happy now

You know I'm happy now

Think that I have started a new
It's gonna get better
It's gonna get better
