Water On the Floor

Joseph Kerschbaum

Ow you left me here and went out on the town
I don't know when I've been so down
The sky is dark,
The moon is blue
I don't know what I'm gonna do
It's like I'm falling down into muddy water
Well the national anthem has come and gone,
I still got the tv on,
And white noise,
A blue moon,
Sitting here waiting up on you,
It's like I'm falling down into muddy water
The clock on the wall keeps rollin' on,
2 o'clock, 3 o'clock, 4 o'clock, 5
Baby, you still ain't home
Well, I've fought some sleep, in a straight back chair
Morning comes and you still ain't here,
Roll on, I've had enough,
Holding on to faithless love,
It's like I'm falling down into muddy water
The clock on the wall keeps rollin' on,
2 o'clock, 3 o'clock, 4 o'clock, 5
And baby, you still ain't home,
You ain't home
Now you left me here and went out on the town,
I don't know when I've been so down,
The sky is dark,
The moon is blue,
I don't know what I'm gonna do
It's like I'm falling down into muddy water
It's like I'm falling down into muddy water
I'm falling down, down into muddy water into muddy water
I'm falling down, down into muddy water into muddy water
I'm falling down, down into muddy water into muddy water
I'm falling down, down into muddy water into muddy water
I'm falling down, down into muddy water into muddy water
I'm falling down, down
