

# Through The Barricades

## Spandau Ballet

Mother doesn't know where love has gone  
She says it must be youth that keeps us feeling strong  
I see it in her face that's turned to ice  
And when she smiles she shows the lines of sacrifice  
And now I know what they're saying  
As our sun begins to fade  
And we made our love on wasteland  
And through the barricades  
Father made my history  
He fought for what he thought would set us somehow free  
He taught me what to say in school  
I learned it off by heart but now that's torn in two  
And now I know what they're saying  
In the music of the parade  
And we made our love on wasteland  
And through the barricades  
Born on different sides of life  
But we feel the same and feel all of this strife  
So come to me when I'm asleep  
And we'll cross the line and dance upon the streets  
And now I know what they're saying  
As the drums begin to fade  
And we made our love on wasteland  
And through the barricades  
Oh, turn around and I'll be there  
Well there's a scar right through my heart but I'll bare it again  
Oh, I thought we were the human race  
But we were just another borderline case  
And the stars reach down and tell us  
That there's always one escape  
Oh, I don't know where love has gone  
And in this troubled land desperation keeps us strong  
Friday's child is full of soul  
With nothing left to lose, there's everything to go  
And now I know what they're saying  
It's a terrible beauty we've made  
So we make our love on wasteland  
And through the barricades  
And now I know what they're saying

As our hearts go to their graves  
And we made our love on wasteland  
And through the barricades
