

On My Cross

FFH

How wide is your love that you could stretch your arms and go around the world?

And why for me would a Saviours cry be heard..

I don't know why you went where I was meant to go,

I don't know why you love me so...

(Chorus)

Those were my nails

That was my crown

That peirced your hands and your brow

Those were my thorns

Those were my scorns

Those were my tears that fell down

And just as you said it would be

You did it all for me

After you counted the cost

You took my shame; my blame

On My Cross

How deep is your grace that you could see my need and choose to take my place?

And there for me, these words I'd hear you say

Father, no forgive them for they know not what they do

I will go because I love them so..

Chorus 2xs

After you counted the cost

You took my shame, my blame

On My Cross
