

# Painkiller

## SPICA (ἰῆσῑρ'¼ἰ¹')

Faster than a bullet  
Terrifying scream  
Enraged and full of anger  
He's half man and half machine

Rides the Metal Monster  
Breathing smoke and fire  
Closing in with vengeance soaring high

He is the Painkiller  
This is the Painkiller

Planets devastated  
Mankind's on its knees  
A saviour comes from out the skies  
In answer to their pleas

Through boiling clouds of thunder  
Blasting bolts of steel  
Evils going under deadly wheels

He is the Painkiller  
This is the Painkiller

Faster than a lazer bullet  
Louder than an atom bomb  
Chromium plated boiling metal  
Brighter than a thousand suns

Flying high on rapture  
Stronger free and brave  
Nevermore encaptured  
They've been brought back from the grave

With mankind ressurected  
Forever to survive  
Returns from Armageddon to the skies

He is the Painkiller  
This is the Painkiller

Wings of steel Painkiller  
Deadly wheels Painkiller
