Honey Pain

Koe Wetzel

Koe Wetzel - Honey Pain

take away my pain honey
iâ€™m sick and tired of this rain.
i drink away my pain honey
until iâ€™m begging for the rain.

ohh yeah

Wipe away those tears honey.
i canâ€™t catch em this time.
i know your nights have been hard baby,
since i said my last goodbyes.

ohh yeaah

take away my pain honey
I'm sick and tired of this rain
I drink away my pain honey
until I'm begging for the rain

Oh yeah.
wipe away those tears honey
I can't catch em this time.
I know your nights have been hard baby
since I said my last goodbyes.

Oh yeah.
swear that you'll be fine honey
and the pain you feel won't stay too long.

donâ€™t you worry about me honey
just like you I'll move on.

take away my pain honey
I'm sick and tired of this rain.

I drink away my pain honey
until I'm begging for the rain.

Oh yeah.

I don't wanna ask forgiveness, my pride is too small to see
and there ain't no sense in saying I'm sorry even if I wanna be.
this ife I live is full of heartbreak, I guess it's easier for me

I'm sorry
and she said,
take away my pain honey
I'm sick and tired of this rain.
I drink away my pain honey
until I'm begging for the rain.

oh yeah .
oh yeah.
so take away my pain honey
I'm sick and tired of this rain.
I drink away my pain honey
until I'm begging for the rain.

until I'm begging for the rain
Ohh yeeah
ohhh yeeaah

the raaaain
Oh yeah
so take away my pain honey.
