Great Companion

Landon Pigg

It's not that you've lost a friend
I just need some time to lick my wounds
I'll be out of service for a little while
I'm sure I'll be up and running soonHe's just an amateur these days
Not used to dealing with this pain
He's just an amateur these days
He never thought that he'd see her go awayAnd our history will never be erased
You were a great companion
And some memories will never ever fade
So I love and so I hateWhat we were, I never knew nor did you
That's exactly what you hated
For three years you were confused
And for three years my intentions left unstatedAnd our history can never be erased
You were a great companion
And some memories will never ever fade
So I love and so I hateSo this is the end
Of an innocent era, an innocent eraI didn't want you but I did
It's never over but it is (it's over)Oh oh oh oh oh (X4)And our history can never be erased
You were a great companion
And some memories will never ever fade away
You were a great companionAnd our history can never be erased
You were a great companion
And some memories will never ever, ever fade
