

# Great Companion

Landon Pigg

It's not that you've lost a friend  
I just need some time to lick my wounds  
I'll be out of service for a little while  
I'm sure I'll be up and running soon  
He's just an amateur these days  
Not used to dealing with this pain  
He's just an amateur these days  
He never thought that he'd see her go away  
And our history will never be erased  
You were a great companion  
And some memories will never ever fade  
So I love and so I hate  
What we were, I never knew nor did you  
That's exactly what you hated  
For three years you were confused  
And for three years my intentions left unstated  
And our history can never be erased  
You were a great companion  
And some memories will never ever fade  
So I love and so I hate  
So this is the end  
Of an innocent era, an innocent era  
I didn't want you but I did  
It's never over but it is (it's over)  
Oh oh oh oh oh ( X4)  
And our history can never be erased  
You were a great companion  
And some memories will never ever fade away  
You were a great companion  
And our history can never be erased  
You were a great companion  
And some memories will never ever, ever fade
