

Come Holy Spirit

Jubilee Worship

Come Holy Spirit
Let your fire fall
Come Holy Spirit
Let your fire fall

Come Holy Spirit
Let your fire fall
Come Holy Spirit
Let your fire fall
Come Holy Spirit
Let your fire fall

I hear the sound of rain
It's pouring out, in the day
I here the sound of rain
It's pouring out, in the day
I hear the sound of rain
It's pouring out, in the day
I hear the sound of rain
It's pouring out, in the day
I hear the sound of rain
It's pouring out, in the day
I hear the sound of rain
It's pouring out, in the day
I hear the sound of rain
It's pouring out, in the day

I hear the sound of rain
It's healing rain, in the day
I hear the sound of rain
It's healing rain, in the day

I hear the sound of rain
It's pouring out

It's healing rain
In the day
It's healing rain
In the day
It's healing rain
In the day

So come Holy Spirit
Let your fire fall

Come Holy Spirit
Let your fire fall
Come Holy Spirit
Let your fire fall
