Hello My Baby

Evolution

Hey baby
Hey beautiful girl
Hey baby hey
Sing hey baby heyHey baby hey hey
Hey beautiful girl
Come along, come along
To kiss meBefore I'm going
Come along
Come along
To kiss meBefore I'm going
Don't you kiss me nice nice
Before I'm going
Don't you kiss me nice niceBefore I'm going
Come along
Come along
Come alongYou you you
Don't you meditate
I sent a messenger to tell you that
I want to meet you at the stationCome along, come along, to kiss me before I'm going
Come along come along
To kiss me before I'm going
Don't you kiss me nice, niceCome along
Come along
Come along
You you youHello my baby
Hello my baby
Hello my sweet
Hello my babyHello my sweetheart
Don't you meditate
Don't you meditate
I send a messenger to tell you that I want to meet youIn a station
