The Curse

Running Wild

"John, you have been found guilty of being in league with the devil
And of having used heathen and forbidden rituals
You will be committed to the purifying fire!
So repent of your unholy sins
That your soul can be saved from eternal hell!""Your lies can't impress me, 'cause the truth will come to light!
Yes! I will set a mark for that I will return
To reveal the holy truth and who's the true evil!"So you will die by the fire!
Light up the stake!"And the young man was burned at the stake
One charred black hand was all that was left of him
From that day on the Hill Of Stakes was called Black Hand Hill
And was avoided
