

# Last Love I'm Tryin'

Ronnie Dunn

I'm in this for good forever baby  
No more sorta kinda maybe's  
This time, no losing balance.  
Come what may, no matter what happens  
No more going from this one to that one  
All the way that's all that matters.

I don't think I can take another, here today gone tomorrow lover  
Dancing in and out of my life, not sure I could survive  
Oh I'm no quitter, I can't take handing over my heart having somebody break it  
This is as high as I'm flying.  
This is the last love I'm trying.

Sad and lonely I can't allow to hurt me  
No giving into love, having it desert me  
This time, all the way together  
I can't tell you how important this is  
Been through to way too many, hits and misses, almosts, nearly forever

Oh I don't think I can take another, here today gone tomorrow lover  
Dancing in and out of my life, not sure I could survive  
Oh I'm no quitter, I can't take, handing over my heart having somebody break it  
This is as high as I'm flying.  
This is the last love I'm trying.

Oh I don't think I can take another, here today gone tomorrow lover  
Dancing in and out of my life, not sure I could survive  
Oh I'm no quitter, I can't take handing over my heart having someone break it  
This is as high as I'm flying.  
This is the last love I'm trying

I don't think I can take another, here today gone tomorrow lover  
Dancing in and out of my life, not sure I could survive  
Well I'm no quitter, I can't take handing over my heart having somebody break it  
This is as high as I'm flying.  
This is the last love I'm trying.

I don't think I can take another, here today gone tomorrow lover  
This is the last love I'm trying
