

# Desert Me (Acoustic) [Bonus Track]

## Tantric

My patience has run thin  
No longer tolerant  
Tired of being used  
By everyone of you Tell me another lie  
So you can feel the pain inside Well Its time for me to do it to you  
What you have always done to me  
Desert me, you all desert me  
Desert me, you wont desert me anymore What do you have to say for yourself  
Now you're alone there's no one else  
Do you look back onto your life  
Wishing there was another time Tell me another lie  
So you can feel the pain inside Well Its time for me to do it to you  
What you have always done to me  
Desert me, you all desert me  
Desert me, you wont desert me anymore Don't move away from me  
I'm not feeling your tears  
And if you should go away  
You wont have the strength to stay away Well Its time for me to do it to you  
What you have always done to me  
Desert me, you all desert me  
Desert me, you wont desert me anymore
