

Thorâ€™s Hammer (Remastered)

Wizard

He rides through the sky
To the northern border-line
Awaiting his enemies
Giants of Niflheim
His weapon is pounding
By his lust for giants' blodd
Armour for a god
And armour to kill
Bridge:Smashing and crushing
A weapon full of power
The time will come
[The] giants' last hour
Refrain:
Fighting giants - Kill them all
Defender of the golden hall
Fighting giants - Kill them all
Defender of the golden hall
Fighting giants
The hammer of Thor
Defender of the golden hall
Fighting giants
The hammer of Thor
Defender of the golden hall
He was the strongest god
In the golden hall
His father was Odin
The power-god
In the last battle
He killed and fought together
With his father Odin
The Midgard snake
Bridge
RefrainHis weapon is pounding
By his lust for giants' blodd
Armour for a god
And armour to kill
Smashing and crushing
A weapon full of power
The time will come

[The] giants' last hour
