

The Expert

Yello

I know you're gonna do it with an easy touch,
Knowledge that you believe love is such.
I know you're never, ever gonna feel ashamed,
You're knowledgeable, nasty, expert in the game. I know you're never, ever gonna feel ashamed,
You're knowledgeable, nasty, expert in the game. I know you're gonna do it with an easy touch,
Knowledge that you believe love is such.
I know you're never, ever gonna feel ashamed,
You're knowledgeable, nasty, expert in the game. I know you're gonna do it with an easy touch,
Knowledge that you believe love is such.
I know you're never, ever gonna feel ashamed,
You're knowledgeable, nasty, expert in the game. She is sexy, she is fine, and she is nice and tall,
She is witty, she is pretty, and she got it all. I know you're gonna do it with an easy touch,
Knowledge that you believe love is such.
I know you're never, ever gonna feel ashamed,
You're knowledgeable, nasty, expert in the game. I know you're gonna do it with an easy touch,
Knowledge that you believe love is such.
I know you're never, ever gonna feel ashamed,
You're knowledgeable, nasty, expert in the game.
