

Sade & Libertine Lunacy

Aborted

Lustful glances entwining madness
Within rivers of saliva, an excruciating torment
A desire within me, you are to be bound to please
 You are bound to please
 My desires come to pass
 Squirming within shackles, I explore her flesh
 Deep inside her Eden, I feast upon forbidden fruit
 Her derriere fully in bloomI am the wretched, I am a ghoul
 A sexual cancer, I thrive on degoutOh sodomy, sweet duodenal catastrophe
 I am vulture, a predator - Sweet sensual misanthropy
 For I am Sade, emissary of debauchery
 Silver in ache whilst from hymen you are torn
 Lashing and gashing at Persephone
 In the mouth of madness, innocence I devour
 Libertine lunacy - feeding perversity
 Libertine lunacy - gorge upon my seedQuiver - pleasure and pain unite
 Squirm - for I am bliss divine
 Quiver - pleasure and faith divide
 Torn - innocence forever reviledFor I am Sade, Emissary of abundance
 Squirming within shackles, I explore her flesh
 Deep inside her Eden, I feast upon forbidden fruit
 Her derriere in bloomOh sodomy, sweet duodenal catastrophe
 I am vulture, a predator - Sweet sensual misanthropyLibertine lunacy - feeding perversity
 Libertine lunacy - gorge upon my seed
 Libertine lunacy - feeding perversity
 Libertine lunacy - vicariously you bleed
 Quiver - pleasure and pain unite
 Squirm - for I am bliss divine
 Quiver - pleasure and faith divide
 Torn - innocence forever reviled
