

# The Higher You Climb

[Dan Fogelberg](#)

The higher you climb, the more that you see  
The more that you see, the less that you know  
The less that you know, the more that you yearn  
The more that you yearn, the higher you climb  
The farther you reach, the more that you touch  
The more that you touch, the fuller you feel  
The fuller you feel, the less that you need  
The less that you need, the farther you reach  
The higher you climb, the more that you see  
The more that you see, the less that you know  
The less that you know, the more that you yearn  
The more that you yearn, the higher you climb  
The higher you climb, the more that you see  
The more that you see, the less that you know  
The less that you know, the more that you yearn  
The more that you yearn, the higher you climb
