I'll Be Around

Joan Osborne

This is our fork in the road
Love's last episode
There's nowhere to goYou made your choice, now it's up to me
To bow out gracefully
Though you hold the keyWhenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be aroundI knew just what to say
Now I found out today
All the words had slipped awayBut I know there's always a chance
A tiny spark remains, and sparks turn into flames
And love can burn once againWhenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be aroundSo whenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be aroundWhenever you call me, I'll be there
Whenever you need me, I'll be there
Whenever you want me, I'll be there
I'll be aroundWhenever you call me, I'll be there
Whenever you want me, I'll be there
Whenever you need me, I'll be there
I'll be around, I'll be around
I'll be around, baby I'll be aroundBefore you got to say
If you really want me
