Of Age

The Frights

There's times I miss the friends I had
There's times I'm glad they're gone
But I can't explain the feeling
Of how I've watched you all move on
There's days when I forget myself
I don't feel like a man
When my body's full of alcohol
And I'm sleeping in the vanAnd my head aches
And my heart breaks
For you
There's times when I'm remembering
When I was 17
Man I should've gone to college
Things aren't looking up for me
If everyday could take away
The pain that I have felt
Then I close my eyes and walk oustide
Hear my favorite soundAnd my head aches
And my heart breaks
For youThe hope I gave? away
It's really not that hard to say
You'll miss me when you're body aches
And living all alone
There's one thing that I need to do
I'm trying to sell out
I could finally pay my rents on time
The kid's could shut their mouths
It's not you, It's me
It's getting hard to breathe
Let's just keep on talking all about meIt's not me, It's you
It's more than I can chew
And I don't know what to do
And I don't know what to doAnd my head aches
And my heart breaks
And my head aches
And my heart breaks
For youOverwhelming
I'm not saying
I have come of age

Everybody
Keeps on telling
Me to make a change
What's the issue
If I miss you
Wish that I could stay
What's the point
If I'm annoyed
I have come of ageAnd my head aches
And my heart breaks
And my head aches
And my heart breaks
And my head aches
And my heart breaks
And my head aches
And my heart breaks
