Deep in the Red (Remastered)

Calabrese

Bleed, all over me
Bleed the heat inside your skin
Bleed the hate you keep within
Well, the pain that chokes the world
Is the serpent crawling through your veins
To your heart,
To take on youChorus:
Deep
in the red
There's nothing but a pulsing death
Taking all your life,
baby
Everything that you know
Will soon be mine right through your eyes
Move slow, holy bloodScreams in the dark
Crippled inside
When you fall you fall apart
In the darkness in the world
In the cold Antarctic of your
heart
You cry blood
And leave me screaming
